Re: Equal Employment Opportunity Commission v. Founders Pavilion, Inc.
Civil Case No.: 13-cv-6250 (CJS)

Dear Judge Siragusa:

This firm represents the Defendant in the above-captioned matter, and we are in receipt of the Equal Employment Opportunity Commission's ("EEOC") Motion for Continuance in this case based upon the recent Federal Government shutdown. At the time of the shutdown, the parties were engaged in settlement negotiations with the Defendant's Answer due on October 16, 2013.

Defendant has no objection to the EEOC's Motion for Continuance and further requests that, given the circumstances and the possibility for an early resolution, the time for the Defendant to answer or otherwise respond to the Complaint in this action be extended until forty-five days after the date on which appropriations are restored for funding the Federal Government operations. We have spoken to EEOC counsel's office and there is no objection to this request.

Should the Court have questions relating to this matter, please do not hesitate to contact to the undersigned.

I thank the Court for its consideration of this request.

Respectfully,

Daniel J. Moore
